16th September 2018

"Jesus asked his disciples, But who do you say that I am?" Mark 8.29

After questioning his disciples, Jesus mentions his Passion for the first time. He is the Messiah, the one anointed by God and expected by Jewish people, but there is one difference: contrary to their expectations, part of God's plan is that he suffer, be rejected by people, be killed, and rise again.

Unfortunately, Father Rick Bunday is unable to join us today. We will welcome him again in the future.
